Deadline for the Wrigley campaign projects quickly approaching...

YRE— Wrigley Litter Less Campaign Updates

Dear all,

The closing date for the YRE entries is now behind the door, and most of the students are busy working on their projects. I would like to update you on the latest news about the Wrigley campaign.

As already mentioned before, on a national basis there will be 3 tablets, an iPod and Digital Camera (sponsored by Nectar Ltd) and a full camping kit (sponsored by WasteServ Ltd).

International winners will be sent abroad on a

mission in October 2013. Apart from that, the first international winner in each age group in each category will get USD 1000, the second USD 700 and the third USD 500, so gear up and start working — definitely worth trying!

Warm wishes for a Happy Easter

May I take this opportunity to wish you all a Happy Easter — full of sustainable practices!

Workshops

Between the 4th and 8th March 2013, Photography and Videography workshops were held at Xrobb I-Għagin Nature Park for secondary school students participating in the Wrigley Litter Less Campaign. Eight schools participated in these workshops, which included both theoretical and practical sessions. Dr

Mark Mifsud conducted the sessions on Photography, while John Mallia from Mediacoop conducted the session on Videography.

Heartfelt thanks go to both presenters for their delivery, and to the students for their participation.

Above all, appreciation goes to the Wrigley Litter Less Campaign for sponsoring the sessions. Similar sessions will be held again next year - let us know if you are interested in participating to avoid disappointment!
